I think my comedic skills are mature and well honed. Funny stuff huh?

Administrator - tomorrow we are scheduled to discuss your upcoming media appearances, including daily show and morning joe. There is no paper in your book for our meeting tomorrow because a) we have not had a final discussion with the shows to finalize specific topics (though we know general areas) and b) I was late getting material to the briefing team.

So, we plan to send to you, after we talk tomorrow, suggested talking points for both daily show on monday night and morning joe on tuesday morning. Hopefully you'll have some time over the weekend to fine tune your comedic skills.

Thanks, and please let me know if you need anything.

Tom
